Medical Conditions

- Please provide all necessary medications, asthma inhalers, spacers, Epipens/ Anapens, etc. Speak to educators and complete necessary paperwork on arrival.
- Medical action plans and risk minimisation plans must be completed and submitted with enrolment forms.
- Individual Anaphylaxis Medical Action Plans will be displayed where all staff can readily access them.
- All families to be aware that children at risk of anaphylaxis will be attending the vacation care program. Please be aware of the various allergies that children suffer from, for example: peanuts, tree nuts, eggs, sesame seeds
- A risk minimization plan is required to be developed for all children who have been diagnosed with anaphylaxis, asthma, diabetes or any other medical condition in consultation with educators on enrolment.

Behaviour Management Policy

YMCA has the right to remove or refuse further participation of any child whose behaviour is deemed to be inappropriate. Bullying, bad language and harassment of other children and educators will not be tolerated under any circumstances.

Children with Additional Needs

In accordance with the application for enrolment procedure we may be able to provide additional educator support to include children with additional needs and children from culturally and linguistically diverse backgrounds.

Prior to booking, please discuss your specific circumstances with the service coordinator.

Traffic Light System

Here at YMCA we understand that we cater for and support many families of children with additional needs and or sensory processing needs. We acknowledge that many of these can vary from child to child, some are diagnosed and others are not, this may also include anxiety.

To help families in deciding what activities are suitable for each individual child and their needs we have created the Traffic Light System.

The Traffic Light System is exactly as it sounds, a variation of coloured dots indicating what level of sensory difficulties that may be encountered in each programmed activity.

RED: indicating that throughout the activity a large amount of sensory difficulties may be encountered. Parents may decide at their own discretion upon consultation with the coordinator, if their child will be able to participate comfortably. Children attending on these days will require an Inclusion Support Plan.

AMBER: Indicating that there is a medium level of sensory difficulties that may be encountered, parents may decide at their own discretion upon consultation with the coordinator, if their child will be able to participate comfortably. Children attending on these days will require an Inclusion Support Plan.

GREEN: Indicating that this activity will be a wonderful opportunity for your child to participate comfortably.
